

## Preventing Residential Burglary

Residents and neighbors are the best resource for preventing residential burglary. Keeping an eye out and reporting suspicious activity to the Sheriff's Department by calling 909.595.2264 or 9-1-1 if a crime is in progress enables the City's Public Safety Team to get on scene before a would-be crook can leave. The Diamond Bar Sheriff's team urges residents to follow these simple tips:

- Lock doors and windows.
- Install an alarm system.
- Use motion sensor lights outdoors, and timers on indoor lights.
- If someone knocks on your door, be sure to answer loudly that you are not interested. Making your presence known will discourage would-be burglars.
- Keep your home in a lived-in condition, especially if you're away for an extended period of time.

Additional information is available on the City's [www.diamondbarca.gov](http://www.diamondbarca.gov) website or by contacting Community Relations Deputy Aaron Scheller at 909.839.7079.

## Join Neighborhood Watch

If you aren't already a member of an active Neighborhood Watch Program, you may want to consider joining one in your neighborhood, or starting up your own group. Your participation is integral to ensuring the safety of your home, neighborhood, and property.

Community Relations Deputy Aaron Scheller can be contacted at 909.839.7079 for more information or to put you in contact with an existing group.

## Report For Reward

Report for Reward is a City program that offers individuals a financial incentive of up to \$500 for providing information leading to the arrest of a person(s) who damaged property as a result of a realized or attempted residential or vehicular burglary within the City. If you see something suspicious, contact the Diamond Bar/Walnut Sheriff's Station at 909.595.2264, or dial 9-1-1 for crime in progress.

Additional program information is available on the City website at [www.DiamondBarCA.gov/RFR](http://www.DiamondBarCA.gov/RFR).
